Give Back to Those in Need

WE HAVE ALL BEEN ON THE RECEIVING END AT SOME POINT-LETS JOIN TOGETHER TO GIVE BACK

Chicago's Largest Day of Service Needs You!

Help Chicago Cares paint, plant, clean, organize and build at 40 schools across our city while we raise more than \$800,000 to benefit Chicago Cares!

You can be part of the 16th Annual Chicago Cares Serve-a-thon by starting a team of volunteers, registering as an individual or making a pledge to support a Serve-a-thon volunteer today. Want to meet someone with similar interests? Consider joining one of our Chicago Cares teams!

The Serve-a-thon is like a walk-a-thon, but instead of walking, volunteers serve and strengthen our communities and collect pledges for their efforts. Pledges raised by Serve-a-thon directly support Chicago Cares' year-round volunteer programs. **Children 12 & up are welcome to participate with you! Just sign them up online as an additional volunteer!**

16th Annual Chicago Cares
Serve-a-thon
Saturday, June 13, 2009

Big Day. Better Schools. Brighter Futures.

[Serve-a-thon Schedule | Saturday, June 13, 2009 | 8 a.m. - 5:30 p.m.](#)

8:00 a.m. - Check-in and Rally: Check in by your last name at Serve-a-thon Plaza at Grant Park's Lower Hutchinson Field (southeast corner of Balbo & Columbus Drives). You'll receive your project assignment and wake up with breakfast snacks and an energizing morning rally. If you ordered a boxed lunch or t-shirt, pick it up before boarding your bus. At 9 a.m. you'll be on your way to making a meaningful difference at a Chicago school.

Wear clothes you won't mind getting dirty. Painting, planting and building is fun and meaningful, but can be messy!

[Lunchtime at your project site](#) - Volunteers need to bring their own lunch.

3:30 - 5:30 p.m. - Event Celebration: Join your team to celebrate the day's accomplishments with a party at Serve-a-thon Plaza. Enjoy food, beverages and live music from Hey Jimmy while you reflect on the difference you made in just one day.

College of Lake County
Women's Center

▶ JUNE 13, 2009

▶ 6AM-7PM

We will meet at the College of Lake County by 6am, and take college vans with Alpha Alpha Pi and other college organizations to the Serve-a-thon site. We will leave the city around 5pm to be home no later than 7pm.

Participation in this event counts as **2 workshop credits** and can be listed as **community involvement/volunteering on any scholarship application!**
