An abuse prevention and response program for adults

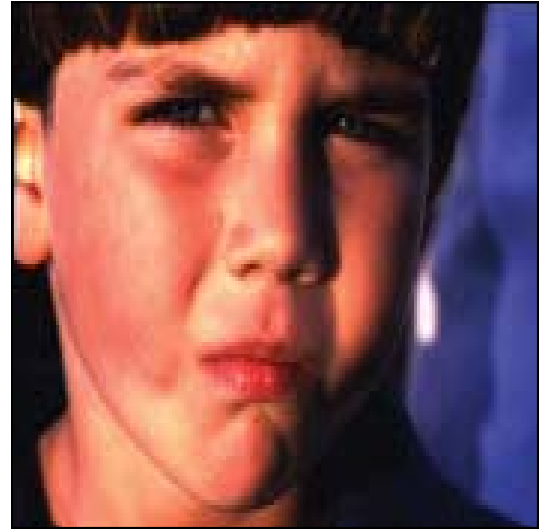

In recognition of Child Abuse Prevention Month, The Exchange Club Foundation of Lake County is offering a **Darkness to Light**® program that educates adults to prevent, recognize and react to child sexual abuse.

This comprehensive workshop is ideal for parents or adults in leadership roles with children, such as teachers, clergy, scout leaders, counselors and coaches.

Facilitated by Community Youth Network Counseling Center this workshop combines video and discussion to present the material in an easy to understand manner.

Social worker/Counselors are welcome to receive 2 CE credits.

The Exchange Club Foundation for the Prevention of Child Abuse of Lake County is supported by the Exchange Clubs of northern Lake County. If you're interested in learning more about grants available through the Foundation or how to join an Exchange Club, please feel free to call Adam Krieger at 847-244-1101 ext. 402.
